The functionality of every component in the panel for user

The user can see, but in order to learn more and go deeper, they must first create an account.

Home

- The user can view the Magnificent6's sale administration and activity at home. The home page should also be the first thing a user sees when they visit our website and where they often submit sales.

About

- The "about" page focuses more on the company's history, including its mission and vision

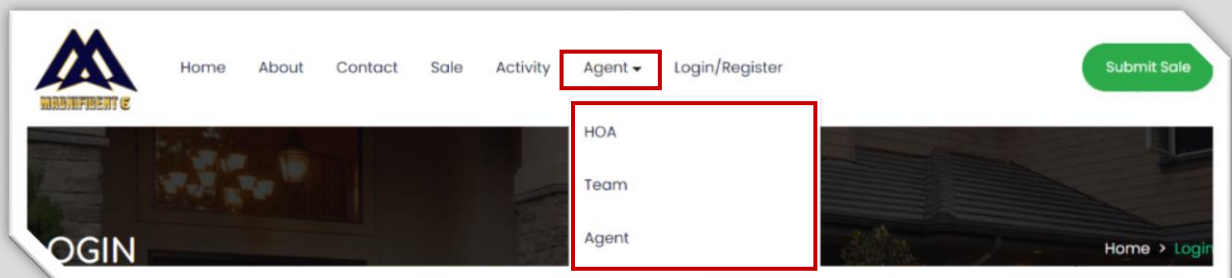

Contact

- Contact is a page that contains details about what the user needs, including our location and phone number. Additionally, a space for questions and comments on the company is provided.

Activity

- The activity page, which is constantly updated by the web administrator, includes pictures of the company's periodic activities.

Agent

Separated into three groups: Agent, Team, and HOA.

- Head of Agency (HOA): showed the head of agency's information
- Team: Displaying the entire team inside the company
- Agent: Displaying all agents participating in the company.

Submit sale

- Submit sale are only users allowed to access. User need to Login first, fill the required form and then can be submit.
- The sales report, which is the same as the "Submit sale" button, is the first page that the user sees after logging in.
- The user must complete the provided form with the sale's data.
- Here is the example of the Submit sale page header and the full page:

The screenshot shows a web page titled "SALE REPORT M6" with a navigation bar containing "Home" and "Submit". The main content area is titled "Sales Report" and is divided into four sections: "Basic Information", "Sale Details", "Deal Details", and "Image & Resit".
